2010 ITS Georgia Wayne Shackelford Engineering Scholarship

The ITS Georgia Chapter supports student involvement in the engineering profession, and hopes to encourage future Georgia ITS Engineers through the Wayne Shackelford Engineering Scholarship Program.

The ITS Georgia Chapter may award up to three scholarships, depending upon the number and quality of applications that are received. All award decisions will be made after a review by the Scholarship Committee and action by the Board of Directors. The Chapter reserves the right to reject any or all of the submissions should they be found inadequately prepared, or the content unacceptable. The 2010 ITS Georgia Wayne Shackelford Engineering Scholarships are anticipated to be \$1,750 for 1st place, \$1,250 for 2nd place and \$1000 for 3rd place. Applications for the ITS Georgia Wayne Shackelford Engineering Scholarships will be evaluated on the following criteria:

1. Students must be enrolled in an ABET accredited university in Georgia.
2. Each applicant shall submit a transcript for any college coursework completed (an unofficial transcript is acceptable). A GPA of 3.0 or higher is required.
3. The candidate should be currently enrolled in an undergraduate or graduate degree program in a transportation related field, computer engineering or electrical engineering.
4. Applicants are asked to submit an essay (maximum of 500 words) in response to the following essay question:

Describe and develop a plan for an implementable, cost-effective Intelligent Transportation System (ITS) solution for reducing traffic congestion, greenhouse gas emissions, and traffic crashes in the metro Atlanta area.

The ITS Georgia Scholarship Committee will select the top three applicants based on a review of their application, transcript and essay. The scholarship winners will be notified by September 10, 2010. Each recipient will be required to attend the ITS Georgia Annual Meeting, to be held at Reynolds Plantation in Greensboro, Georgia from September 19th-21st, 2010. Scholarship recipients are responsible for their hotel accommodations, but their registration costs for the Annual Meeting are waived. The scholarship awards will be formally presented at the Annual Meeting during the Annual Awards Banquet.

Scholarship winners are required to make a presentation summarizing their responses to the essay problem statement at the ITS Georgia Monthly Meeting held in February 2011.

Please complete the application and return to Kristin Turner or Ronald Boodhoo no later than 11:59 pm on Wednesday, September 1, 2010. The application must be faxed (or scanned and emailed) with appropriate signatures before the deadline.

Attach additional sheets if necessary, but **information not specifically requested in the application form will be discarded.**

Please contact Kristin Turner or Ronald Boodhoo if you have any questions concerning this application. Their contact information is provided below.

Sincerely,

Kristin C. Turner, ME, P.E.
