**ITS GEORGIA** is made up of individuals and organizations that excel in designing and delivering ITS solutions and projects.

Traffic congestion and highway safety are on the minds of Georgians, and ITS Georgia members are working to improve efficiency and safety of our transportation systems.

ITS solutions are a very cost effective and safe way to improve the mobility of the people who work and travel through Georgia.

ITS Georgia provides a forum for advocacy, facilitation, integration and for learning more about ITS.

Our members include federal, state and local transportation agencies, ITS technology and service providers, large private and commercial transportation system users, universities, and other interested parties with missions that involve, or are affected by, the transportation system. We also support students with an interest in ITS careers.

## CHAPTER MEETINGS

Your ITS Georgia Chapter will hold nine monthly meetings and an annual conference in 2008. Dates for third quarter chapter luncheons are: July 31, August 28 and September 25. The annual conference will be held Oct. 19 -21 in Savannah. Visit [www.itsga.org](http://www.itsga.org) to find out more and register.

## CHAPTER ELECTIONS

Three board seats are open for election this year. Self nominations are encouraged. Visit [www.itsga.org](http://www.itsga.org) for more info.
