*Help shape the future of  
Intelligent Transportation  
Systems in Georgia*

# Become a Member of

[www.itsga.org](http://www.itsga.org)

**B**y joining ITS Georgia, your organization can be a part of the solution to Georgia's ever-increasing traffic congestion problem.

Becoming a member of ITS Georgia gets your organization involved in state ITS initiatives, operations, public policy development and the "next big thing" in intelligent transportation systems.

ITS Georgia is the only organization that brings together key policy makers, transportation agencies, transportation system users and ITS technology and service providers to promote public-private partnerships in the development and deployment of ITS solutions.

## Who Should Join?

If your organization has an interest in transportation, join ITS Georgia today!

Transportation Agencies  
Planning and Engineering Firms  
ITS Service Companies  
ITS Technology Companies  
Construction Firms  
Planning and Zoning Agencies  
Research Organizations  
Universities  
CIDs  
Commercial Fleet Operators  
Delivery Companies  
Traffic Reporting Media Outlets  
Emergency Services Agencies  
Transportation Associations  
Students

ITS Georgia helps your organization build a network of peers from the public and private sector to exchange information and share ideas that advance ITS.

Each month, ITS Georgia puts you together with peers to discuss the hot topics and challenges facing ITS today. We provide opportunities to meet with key decision-makers.

Our annual meeting is an excellent way to see the latest ITS technology, services and business opportunities for Georgia.

## Member Benefits

When an organization joins ITS Georgia, all of its employees enjoy these benefits:

Monthly luncheons with ITS thought leaders and decision makers  
Annual meeting with exhibit opportunities  
Sponsorships  
Workshops  
Discounts to ITS Georgia events  
Posting of member news to ITS Georgia web site  
And many more

ITS Georgia is a state chapter of the Intelligent Transportation Society of America, which was established to coordinate the development and deployment of ITS in the United States.

 **ITS AMERICA**  
An ITS America State Chapter
