Intelligent Transportation Society of Georgia Named 2014 Outstanding State Chapter by the Intelligent Transportation Society of America

MOBILE, AL (September 15, 2014) – Intelligent Transportation Society of America (ITS America) President and Chief Executive Officer Scott Belcher today congratulated the [Intelligent Transportation Society of Georgia](#) (ITS Georgia) on being named a 2014 Outstanding State Chapter.

“The ITS America State Chapter Awards are given annually to the State Chapters that have demonstrated a superb level of programming, fostered the highest qualities of leadership among its members, advocated for ITS solutions at the state and regional levels, and provided outstanding value overall to its membership,” said Mr. Belcher, while speaking at the [ITS3C Summit](#) in Mobile, Alabama. “ITS Georgia exemplifies these tenets and the organization and its members are to be congratulated.”

“On behalf of Immediate Past President Scott Mohler, we are pleased to be recognized by ITS America as an outstanding chapter,” said ITS Georgia President Tom Sever. “This award is a validation of our day-to-day efforts to promote the safety and efficiency benefits of ITS solutions in transportation.”

The ITS America Outstanding State Chapter Awards are presented to one chapter in each of four divisions. ITS Georgia is in division two which also includes California, Florida, Michigan, Minnesota, New York and Texas. ITS Georgia last won the award in 2012. About ITS Georgia

The Intelligent Transportation Society of Georgia is a group of organizations that support Intelligent Transportation Systems (ITS) technology as a way to significantly reduce congestion and improve the performance, safety and efficiency of our transportation system. ITS Georgia provides a forum for advocacy, facilitation, integration, and for learning more about ITS. ITS Georgia members include federal, state and local transportation agencies, ITS technology and service providers, large private and commercial transportation system users, universities, and other interested parties with missions that involve, or are affected by, the transportation system. Visit www.itsga.org for more information.
