Intelligent Transportation Society of Georgia Announces Election of Officers and Directors

JEKYLL ISLAND GA (September 29, 2015) – The Intelligent Transportation Society of Georgia today announced the election of Officers and Directors for the 2016 – 2017 term. The newly-elected Officers and members of the Board of Directors were announced at the 2015 ITS Georgia Annual Meeting and Exposition on Jekyll Island.

The new officers are President Mike Holt of WSP Parsons Brinckerhoff; Vice President Alan Davis, Georgia Department of Transportation (GDOT); Secretary Jennifer Johnson, Kimley-Horn and Treasurer Xuewen Le, HNTB Corporation. The term of officer is two years.

Elected to two-year terms to the Board were: Jim Tolson, ARCADIS, Bill Andrews, City of Sandy Springs, Mark Demidovich, GDOT and Matt Glasser, GDOT. The newly elected directors join current board members Derrick Crowder, City of Roswell, Winter Horbal, Temple, Inc., Alvin James, Kimley-Horn, Keary Lord, Serco, Andy Phlegar, Atkins and Eli Veith, Veith Traffic Services.

“I look forward to serving as chapter president for the next two years, working with the board and our members in moving ITS Georgia forward as an organization,” said Mr. Holt. “I am committed to working with ITS America and neighboring state chapters to facilitate a better understanding of how ITS can improve safety and mobility. I will also work to secure continued funding for ITS deployments through federal, state and local sources. I hope to grow our chapter in its membership, programs and outreach efforts to educate the public on the benefits of ITS.”

“I want to thank the organization for the opportunity to serve these past two years and look forward to supporting the organization, Mike and the board, as immediate past president,” said Tom Sever, ITS Georgia President.

About ITS Georgia

The Intelligent Transportation Society of Georgia is a group of organizations that support Intelligent Transportation Systems (ITS) technology as a way to significantly reduce congestion and improve the performance, safety and efficiency of our transportation system. ITS Georgia provides a forum for advocacy, facilitation, integration, and for learning more about ITS. ITS Georgia members include federal, state and local transportation agencies, ITS technology and service providers, large private and commercial transportation system users, universities, and other interested parties with missions that involve, or are affected by, the transportation system.
