Intelligent Transportation Society of Georgia Elects Officers and Directors

New chapter leadership announced at annual meeting in Savannah

SAVANNAH, GA (September 21, 2021) – The Intelligent Transportation Society of Georgia today announced the election of Officers and Directors for the 2022 – 2023 term, effective January 1, 2022.

Tom Glueckert of Kimley-Horn was elected Chapter President; Rachel Cohen of 360 Network Solutions was elected Vice President; for Secretary, Steven Foy of Paulding County DOT; and, for Treasurer, Mahesh Atluri of HNTB. Winter Horbal of Temple, Inc. is Immediate Past President. The term of officer positions is two years.

Elected to the Board were: Matt Glasser of the Georgia Department of Transportation; Ken Keena, Gwinnett County Department of Transportation; Greg Ramsey, Peachtree Corners Department of Transportation; and, Holly Painter, KCI.

“It’s an honor to be elected to serve as the president for one of the leading ITS State Chapters in the nation. Congratulations to my colleagues and friends who were elected to serve alongside me today,” said Mr. Glueckert. “I look forward to building on the continued success of our chapter, serving as a conduit to help our members grow their professional network, and delivering high-quality technical content to ensure that our members are in the best position to support their own practice areas.”

“I want to thank the chapter for allowing me to serve these past two years as president,” said Ms. Horbal. “It was in many ways the most challenging yet most rewarding time for ITS

Georgia and I want to applaud our officers, board members and member organization associates who came together to continue our mission and serve the community.”

About ITS Georgia

The Intelligent Transportation Society of Georgia is a group of organizations that support Intelligent Transportation Systems (ITS) technology as a way to significantly reduce congestion and improve the performance, safety and efficiency of our transportation system. ITS Georgia provides a forum for advocacy, facilitation, integration, and for learning more about ITS. ITS Georgia members include federal, state and local transportation agencies, ITS technology and service providers, large private and commercial transportation system users, universities, and other interested parties with missions that involve, or are affected by, the transportation system.
